

Tom Tancredo, Republican Congressman, fascistic leader of anti-immigrant movement

On a July 15,
2005 radio show
broadcast on
WFLA-AM:

Tancredo:
*"If [a terrorist
attack] happens in the
United States
and we
determine
that it is the
result of
extremist,
fundamentalist
Muslims,
you could take
out their holy
sites."*

Host
Pat Campbell:
*"You're talking
about bombing
Mecca?"*

Tancredo:
"Yeah."

Quoted in the
Boston Globe,
June 12, 2005

*"[Immigrants]
need to be found
before it is too
late. They're
coming here to
kill you, and
you, and me,
and my
grandchildren."*

Tancredo in effect
argues for
repealing the
14th Amendment
(passed after the
Civil War to give
former slaves
citizenship)
which says "All
persons born or
naturalized in the
United States...
are citizens of the
United States."
He said:

*"Citizenship in
this country
should not be
bestowed on
people who are
children of folks
who come into
this country
illegally."*
