

Regarding Barack Obama's campaign for the presidency. . .

Humanity needs a whole new *world*...

....not a new *face* on a rotting empire

people living on pennies a day

9-year-old Iraqi girl who lost a leg in U.S. bombing of Basra, 2003

...Barack Obama has no answers

...other than putting a *different face* on this.

Humanity *needs* revolution and communism
