

GIVE A GIFT THAT MATTERS!

\$20 *BASics** Holiday Gift Pack:

Give a copy to a friend and one to a prisoner

*BASics, from the talks and writings of Bob Avakian, is a book of quotes and short essays that speaks powerfully to questions of revolution and human emancipation. "You can't change the world if you don't know the BASics."

Your friends, family and loved ones will not only get this powerful and inspiring book, but they will know this same book is reaching one of the 2.3 million people held behind prison walls in the U.S.

Prisoners Revolutionary Literature Fund has sent over 500 copies of BASics to people imprisoned in the U.S. \$15,000 is needed to send 1,500 more. Many prisoners have taken up BASics as a lifeline to the world and shared it with others. They have written about its impact on how they view the world and their desire to be part of changing that world, and transforming themselves in the process.

"I believe that a book like BASics is very important because it provides people with a scientific understanding of the world in which we live in; as well as with a vision of a different and better world...I would like to thank every volunteer in the PRLF and everybody that donated funds to PRLF and I would like to encourage more people to make donations. The education that PRLF provides us with is priceless." Prisoner from California
