3 OUTRAGES IN 4 DAYS IN AMERIKKKA

page 7

April 22: Supreme Court rules Michigan voters can ban affirmative action programs—further locking down whole peoples in conditions of segregation and oppression.

April 24: Media broadcasts fascist rancher Cliven Bundy—backed by armed militias—declaring Black people were better off under slavery.

April 25: The racist rant of Donald Sterling—who runs his LA Clippers NBA team like a Southern plantation owner—goes viral.
