**More Police Murder... More Murdering Police Go Free**

# **This Cannot Go Down Like This! This Cannot Go On!**

Monday: After over a year of lies and cover-up, the IN-justice system now says they will bring NO charges against the police who murdered Tamir Rice! This is outrageous. This is intolerable. Tamir Rice was a 12-year-old boy, playing with a *toy* gun in a city park. He was shot down in less than two seconds by police who rolled up on him.

Saturday: At 4:30 in the morning December 26, the day after Christmas, a Chicago cop murdered 19-year-old Quintonio Legrier, a student at Northern Illinois University and Bettie Jones, a mother of five and grandmother of 10. Quintonio had been struggling with mental health issues and his family wanted help. Instead, the police pulled up to the apartment house and fired, killing both of them.

How many more will these murderers in blue shoot down people?!? How long can this be tolerated, from people who are supposed to “serve and protect”?? What kind of a system does this??!

**This cannot go down like this! This cannot go on!**

**Everyone, everywhere, act now! Join protests, or call protests if nobody else is. Make a sign and get out where people are and call on them to join you. Spread this message by social media, and print it up and get it out everywhere.**

Black people have been kidnapped, murdered, enslaved, exploited, Jim-Crowed, lynched, segregated, rioted against, discriminated against, beaten, scorned and slandered, imprisoned, bitten by dogs, lied to and lied on, soft-soaped with hope and promised and tricked, sold out and shot out and shot down in the streets, and just goddamn brutalized and killed over and over, since day one. And here we are going into 2016, and nothing has changed.

How long?!? As long as the system that did all this and does all this still stands.

Humanity needs revolution, a real revolution, a communist revolution. There is a way to win and a new world to build, there is a plan for all this, there is a leader—Bob Avakian (BA)—who has shown the way, and there is a party that he leads, the Revolutionary Communist Party.

As BA has said:

**The role of the police is not to serve and protect the people. It is to serve and protect the system that rules over the people. To enforce the relations of exploitation and oppression, the conditions of poverty, misery and degradation into which the system has cast people and is determined to keep people in. The law and order the police are about, with all of their brutality and murder, is the law and the order that enforces all this oppression and madness.  
(BASics 1:24)**

And as he has vowed:

**No more generations of our youth, here and all around the world, whose life is over, whose fate has been sealed, who have been condemned to an early death or a life of misery and brutality, whom the system has destined for oppression and oblivion even before they are born. I say no more of that. (BASics 1:13)**

Get with this leader and get with this Party. We aim to make good on this vow. Visit the website [www.revcom.us](http://www.revcom.us), and find out more. And join with us, now, in the streets to protest and resist this huge outrage that has just been perpetrated. Bring your anger, your sorrow, your outrage and your hopes for emancipation.
