

Donald Trump— GENOCIDAL RACIST*

BY BOB AVAKIAN

Part 3 *This is Part 3 in a series appearing online at www.revcom.us*

Early in his last campaign for president, Trump declared that he was going to “build a wall” to keep out Mexicans, calling the people who come to the U.S. from Mexico “drug dealers... rapists... criminals.” He said that a judge in a legal case Trump was involved in could not be “fair” to Trump because the judge was of Mexican heritage—a textbook case of racism (as even a powerful Trump supporter had to admit).

Since becoming president, along with unleashing vicious raids to deport immigrants, tearing apart families, Trump has put tens of thousands of immigrants—mostly from Mexico and nearby countries in Central America—in concentration camps on the border, while separating even very young migrant children from their parents.

Many people have pointed out that *all this is the kind of thing Hitler did to “demonize” and “criminalize” Jews as he put them in concentration camps, and then murdered 6 million of them.*

(If you don’t think Trump would do something as extreme as killing off large parts of those he has demonized and criminalized, you still don’t know who Donald Trump really is. Look for Part 4: further evidence of Donald Trump as a genocidal racist.)

* *Genocide* means killing off a whole people, or a large part of that people. Genocide is what the Europeans did to the native peoples in America, while stealing their land. Genocide is Hitler and the NAZIs murdering six million Jews. **Donald Trump is a genocidal racist.**

Donald Trump *hates* Black people, and everybody who is not a “white, English-speaking, Christian American.” If he could, he would kill off a whole lot of them, and put many of the rest in jail for life, or drive them out of the country.

Donald Trump— GENOCIDAL RACIST

Left: A Jewish person in Nazi Germany with a “Yellow Star.” Years before the Holocaust, Nazi officials forced Jews to wear the Yellow Star as a prelude to the mass deportations to ghettos and later to the death camps in Eastern Europe. Right: Some of the tens of thousands of immigrants who have been forced into concentration camps in the U.S. today under horrendous conditions—including children separated from parents and locked up in cages.
