

A Challenge to All Who Think They're "Woke" or Progressive, but Refuse to Get Vaccinated Against COVID:

Photo: AP

At a time when it is possible to greatly reduce the damage being done by this pandemic—a pandemic which is disproportionately hitting, and killing, Black people, Latinos and Native Americans...

Do you really want to be finding yourself in the same camp with these *lunatic anti-scientific fascists*?

Do you really want to be bedfellows with these *genocidal racists*—in their crusade against the vaccine and other health measures?
