filled, great struggles to be carried out, and yes great sacrifices to be made to accomplish all this. But there is a world to save—and to win—and in that process those the system has counted as nothing can count for a great deal. They represent a great reserve force that must become an active force for the proletarian revolution.

This is not just talk or an attempt to make poetry here: there are great tasks to be fulfilled, great struggles to be carried out, and yes great sacrifices to be made to accomplish all this. But there is a world to save—and to win—and in that process those the system has counted as nothing can count for a great

Raise your sights above the degradation and madness, the muck and demoralization, above the individual battle to survive and to “be somebody” on the terms of the imperialists—of fouler, more monstrous criminals than mythology has ever invented or fails ever held. Become a part of the human saviors of humanity: the gravediggers of this system and the bearers of the future communist society.

Here I am speaking not only to prisoners but to those whose life is lived on the desperate edge, whether or not they find some work; to those without work or even homes; to all those the system and its enforcers treat as so much human waste material.
