

The notion of a god, or gods, was created by humanity, in its infancy, out of ignorance. This has been perpetuated by ruling classes, for thousands of years since then, to serve their interests in exploiting and dominating the majority of people and keeping them enslaved to ignorance and irrationality.

Bringing about a new, and far better, world and future for humanity means overthrowing such exploiting classes and breaking free of and leaving behind forever such enslaving ignorance and irrationality.

Bob Avakian  
Chairman of the  
Revolutionary Communist Party, USA
