BA Speaks:

REVOLUTION— NOTHING LESS!

Bob Avakian Live

Get with it!

The extreme situation that humanity faces today—the tremendous horrors that people endure and the catastrophic devastation of the planet—cries out for a radically different world. If you want to know what this new society could be and how we could get there, you must see ***BA Speaks: REVOLUTION—NOTHING LESS!*** In this film, Bob Avakian lays it out straight up and full out—the *problem* humanity faces in the ruthless capitalist-imperialist system, *and*, the *solution*, a radically new better society that really could be, through revolution, and nothing less.

You can be a part of changing the world by taking up the campaign ***BA Everywhere... Imagine the Difference It Could Make!*** to raise big funds so that “BA”—short for Bob Avakian—becomes a household word, so that people in every corner of society can know about, discuss, and debate the vision, framework and strategy that BA has brought forward. From Thursday, March 27 through Sunday, March 30, the nationwide BA Everywhere campaign invites you to be a part of a weekend of reaching out to and involving people in making a big deal out of this film... to join in raising funds so that this film is widely known and available; so that people find out about, donate to, and can become a part of the BA Everywhere campaign.

“Those this system has cast off, those it has treated as less than human, can be the backbone and driving force of a fight not only to end their own oppression, but to finally end all oppression, and emancipate all of humanity.”
