

TAKE BOB AVAKIAN (BA) TO THE PEOPLE

June 20-21:

A Revolutionary Summer Solstice—the Start of What Could Potentially Be “A Long, Hot Summer”

What if...?

Kick off this summer with the most meaningful thing you can do, with the revolutionary élan and joy that comes from radically changing the world—with others like you, in a process of learning and discovery as we do this: Taking revolution and Bob Avakian, BA, to the people in an atmosphere of charged political ferment, and questioning. BA is the most scientific and radical of thinkers and leaders. Watch and spread *REVOLUTION AND RELIGION*.

In the clip titled “What if?...” from the film, BA lays out a vision of a radically different and much better world. Go to www.revcom.us/revolution-and-religion to watch and download the clip. Play the clip as part of taking BA out to the people during Revolutionary Summer Solstice, June 20-21.
