

# Celebrate May 1, 2016!

**Get Organized for an Actual Revolution  
Get Ready to Bring This System DOWN...  
And Bring Something Much Better Into Being  
Prepare the ground, prepare the people, and  
prepare the vanguard—get ready for the time  
when millions can be led to go for revolution,  
all-out, with a real chance to win.**

On the weekend of May 1, the movement for revolution will celebrate this holiday with revolutionary internationalist dinners. These celebrations will have international dishes and international culture. They will be occasions to bring together people of different backgrounds, ages, and nationalities in the spirit of the liberating struggle to emancipate all of humanity—and inspire and challenge people to get into Bob Avakian and his work, and grasp what a tremendous thing it is for the people of the world to have this leader and the new synthesis of communism that he has brought forward.
