

REVOLUTION

Voice of the
Revolutionary Communist Party, USA

No. 438 May 9, 2016 revcom.us Online edition

50 Years Since the Cultural Revolution in China:

Upholding—and Going Forward From—a Historic Breakthrough for Humanity

Young revolutionary activists, China, 1968.
"Big character posters" went up all over
the country during the Cultural Revolution,
commenting on and criticizing policies and
leaders as part of mass debates and struggle
over how to prevent the restoration of capitalism.
