

INTO THE STREETS—NOW!!!

If you have not yet seen the video released by the family of Keith Lamont Scott, the Black man murdered by Charlotte, N.C. pigs, go online to www.revcom.us.

If you have seen it, GET IN THE STREETS! Get with people and make it clear that this can NOT go down like this. And if people are not in the streets, go to where they are and get them there.

In cities and neighborhoods and campuses and towns and everywhere people are—GET OUT THERE!!! In Charlotte but way beyond Charlotte—everywhere. This must be resisted and the powers-that-be rocked back.

This must be built toward revolution—an actual revolution that overthrows this system at the soonest possible time—because **there is no solution to these outrages under this system**, and as long as we live under this system, this will go on...and on. **There is a way that we can make a real revolution**—and bring into being a radically different and better society: **we have the strategy, program, and leadership for this revolution**, in the work of Bob Avakian (BA) and the Party he leads, the Revolutionary Communist Party.

STOP POLICE TERROR!

DOWN WITH THIS FUCKING CAPITALIST, RACIST SYSTEM!

**FIGHT THE POWER, AND TRANSFORM THE PEOPLE,
FOR REVOLUTION!**

To find out why we need this revolution, what we need to do now, and how we could win, go to www.revcom.us and read “HOW WE CAN WIN—How We Can Really Make Revolution.” And get this everywhere!
