Announcing:

BOB AVAKIAN TO SPEAK AT UC BERKELEY—APRIL 2018

Bob Avakian, the most radical revolutionary alive, Chairman of the Revolutionary Communist Party, author of the *Constitution for the New Socialist Republic in North America*, former student at Cal and an active participant in the Free Speech Movement, will be coming to speak on the UC Berkeley campus in April 2018 about freedom of expression and communist revolution; and, as part of this, he will be exposing and refuting the lies and distortions of Chancellor Christ about the Free Speech Movement.
