The Demonization, Criminalization and Deportations of Immigrants and the Militarization of the Border!

Refugee women and children from Honduras and El Salvador held by the border patrol in Texas, June 2014. Millions of people forced from their homes in countries devastated by imperialist domination come to the U.S. to seek a way to survive—only to be treated as “criminals.”

The Trump/Pence fascist regime is taking the war on immigrants to new, horrific levels—ramping up arrests and deportations and demonizing immigrants. Above: immigrant arrested by Immigration and Customs Enforcement (ICE) in Dallas, Texas, January 2018.
