**MATTHEW SKOLLER**, award-winning songwriter and blues harp player.  
**Abraham Mellish**, West Africa, Liberian singer/songwriter.

Maya, a Revolution Club member, faces **7 years in prison** for a **SILENT PROTEST** in support of immigrants. She was brutally attacked and arrested by the **University of Chicago** police and charged with battery on police officer. She is also banned from campus.

What is being done to immigrants is nothing short of ethnic cleansing. With a fascist regime in power, tearing up what are supposed to be protected civil and legal rights, and ruling through increasingly open terror and violence, *this protest was needed and was right.*

**JOIN US for fun and to raise much needed funds for legal fees/materials to widely promote Maya's case.**

Hosted by Free Maya Committee

Co-hosted by Refuse Fascism Chicago Chapter and the Revolution Club Chicago

Sponsored by Centro Autónomo de Albany Park
