How serious a threat does the Trump/Pence regime pose to humanity?

Could fascism really happen here?

What is the character of the regime-is it fascist, and if it is, what are the implications?

What are the roots of this regime? Is it a terrible aberration, "more of the same"... or something different still?

What must be done to stop it? How? Is a better world possible?

If you haven't heard Bob Avakian, you haven't heard the hard truth  
of how we got to a fascist Trump/Pence Regime...  
*and, How Only We Can End This Nightmare*

# A FILM OF A TALK BY BOB AVAKIAN: THE TRUMP/PENCE REGIME MUST GO!
