

## When a member of Trump's fascist cabinet comes to your campus...

Should you keep your head down, and focus on your grades?  
Ignore it and what's going on in the world around you?

**Or should you do this:**

These are members of the Revolution Club and Refuse Fascism who spoke out while Treasury Secretary Steve Mnuchin was at UCLA in February 2018. For this, they were brutally arrested and are being dragged into court with two facing up to 9 months in jail and two others facing more than 2 and a half years!

While universities have spent 100s of 1000s of dollars protecting the free speech of fascists, speaking out against fascism is being criminalized. Professors are reported by right-wing students, amplified by hysterical fascist media unleashing a swarm of internet trolls—all working to drive critical thinking out of academia. Evolution, climate science, the truth about American history and its role in the world today, Ethnic Studies and anything evidence based are under assault. Instead of saying NO, the universities are facilitating the suppression of dissent and normalizing a fascist remaking of the country.

### **In the Name of Humanity, We Refuse to Accept a Fascist America.**

What does American Fascism look like? America First virulent nationalism, white supremacy and patriarchal domination wrapped in the flag and the Bible. Gutting the rule of law and civil liberties, ruling through open terror and violence and unleashing fascist mobs.

While you try to stay focused on personal success, the world around you is being torn asunder.

**Choose a side... or history will choose for you.**

Join Refuse Fascism, organizing to drive this regime from power through mass, sustained, non-violent protest in the streets, growing week by week and day by day until our demand is met:

**Trump/Pence Must Go NOW!**

**Join the Revolution Club.** We are working to overthrow this system through mass revolution, aiming at the emancipation of all humanity from all forms of oppression. We stand and fight for:

**Revolution—NOTHING LESS!  
And the Emancipation of Humanity!  
Fight the Power, and Transform the People, for Revolution!**

# Points of Attention for the Revolution

*The Revolution Club upholds,  
lives by and fights for the following principles:*

**1** We base ourselves on and strive to represent the highest interests of humanity: revolution and communism. We do not tolerate using the revolution for personal gain.

**2** We fight for a world where ALL the chains are broken. Women, men, and differently gendered people are equals and comrades. We do not tolerate physically or verbally abusing women or treating them as sexual objects, nor do we tolerate insults or "jokes" about people's gender or sexual orientation.

**3** We fight for a world without borders, and for equality among different peoples, cultures and languages. We do not tolerate insults, "jokes" or derogatory names about a person's race, nationality, or language.

**4** We stand with the most oppressed and never lose sight of their potential to emancipate humanity—nor of our responsibility to lead them to do that. We work to win people of all backgrounds to take part in the revolution, and do not tolerate revenge among the people.

**5** We search for and fight for the truth no matter how unpopular, even as we listen to and learn from the observations, insights and criticisms of others.

**6** We are going for an *actual* overthrow of this system and a whole better way beyond the destructive, vicious conflicts of today between the people. Because we are serious, at this stage we do not initiate violence and we oppose all violence against the people and among the people.
