WESTERN AVE
& IMPERIAL HWY

MARCH FROM
SOUTHWEST
COLLEGE TO THE
L.A. COUNTY SHERIFFS

SHOW THE WORLD:

WE ARE *GETTING ORGANIZED NOW* FOR **REVOLUTION—NOTHING LESS!**

The LA County Sheriffs—like the other police forces and the military—“serve and protect” THIS SYSTEM—the system of capitalism-imperialism. The system that rules this planet. The system that destroys lives and crushes spirits... that treats all kinds of people as “less than human”... that hunts down and drives down our youth in so many ways... and that threatens the very existence of humanity.

This system must go! So, Let's Get Down to Basics: We Need A Real Revolution!

On Saturday, June 12, 2pm, people from around the Los Angeles area will march on the LA County Sheriff's Station in Westmont to proclaim:

**WE ARE FIGHTING TO EMANCIPATE
ALL HUMANITY - For a World Free of
All Oppression and Exploitation
No More Antagonistic Divisions
Among the People**

**THIS SYSTEM CANNOT BE REFORMED
—IT MUST BE OVERTHROWN**
