

It is not uncommon to hear these days,

from government officials and others, that only 1 percent of the population is in the U.S. military but that this 1 percent is fighting for the freedom of the other 99 percent. The truth, however, is this: That 1 percent, in the military, is in reality fighting for the other 1 percent: the big capitalist-imperialists who run this country—who control the economy, the political system, the military, the media, and the other key institutions—and who dominate large parts of the world, wreaking havoc and causing great suffering for literally billions of people. It is the “freedom” of these capitalist-imperialists—their freedom to exploit, oppress, and plunder—that this 1 percent in the military is actually killing and sometimes dying for.
