

There is a place where  
epistemology and morality meet.  
There is a place where you  
have to stand and say: It is not  
acceptable to refuse to look  
at something—or to refuse to  
believe something—because  
it makes you uncomfortable.  
And: It is not acceptable to  
believe something just because  
it makes you feel comfortable.

Bob Avakian  
Chairman of the  
Revolutionary Communist Party, USA
