

Stop Police Brutality, Repression and the CRIMINALIZATION OF A GENERATION!

This year's October 22 is the 18th annual National Day of Protest to Stop Police Brutality, Repression and the Criminalization of a Generation. At this moment, it's more important than ever that 022 be marked powerfully by people acting across the U.S. As Carl Dix of the Revolutionary Communist Party says, "This has to be a day when all across the country people are taking to the streets in outrage, holding cultural events, teach-ins, and in other ways spotlighting the horrific reality of police brutality and murder, the widespread repression and the criminalization of whole generations of youth. This has got to be something that people respond to." (Interview with Carl Dix at revcom.us and in *Revolution* issue 317)

**If you couldn't sleep when the verdict on
Trayvon Martin's killer came down...**

**Whether you feel you've been living that
verdict your whole life... or you are just
finding out about it...**

**If you burn with anger or agony at
living in such a society...**

**YOU NEED
TO ACT ON
OCTOBER 22!**

**NO
MORE!**

"The days when this system can just keep on doing what it does to people, here and all over the world...when people are not inspired and organized to stand up against these outrages and to build up the strength to put an end to this madness...those days must be GONE. And they CAN be."
