

Now I can just hear these reactionary fools saying, “Well, Bob, answer me this. If this country is so terrible, why do people come here from all over the world? Why are so many people trying to get in, not get out?” ...Why? I’ll tell you why. Because you have fucked up the rest of the world even worse than what you have done in this country. You have made it impossible for many people to live in their own countries as part of gaining your riches and power.
