

**Bob Avakian** is the Chairman of the Revolutionary Communist Party, USA. Bob Avakian (BA) came alive as a revolutionary in the 1960s. Since then he has given his heart and knowledge to serving the cause of revolution and the emancipation of humanity, and has consistently taken responsibility for leading the revolutionary movement — theoretically and practically. He is an innovative and critical thinker who has brought forward a new synthesis of communism.

This benefit dinner is hosted by BA Everywhere—the national campaign to raise funds to make Bob Avakian (BA) and the work he has done known throughout society, so that the sights of millions are raised to see the possibility of a revolution for a radically different and better world.
