

A Declaration, A Call To Get Organized Now For A Real Revolution says:...

For the masses of people, and ultimately for humanity as a whole, there is no future, or no future worth living, under this system.

But there is a way to a world and a future that *is* worth living, and is worth fighting for right now: **revolution**—*a real revolution*, not playing around with a few changes that leave this system in place and in power, while benefitting only a small number.

This revolution will “overthrow this system and replace it with a radically different and much better economic and political system, a *socialist* system, based on meeting the needs of the people and carrying forward the fight for a communist world where there will finally be an end, everywhere, to the exploitation, oppression, and destruction of the environment that is *built into* this system of capitalism-imperialism.”

We have the leadership for this revolution in Bob Avakian, BA.

BA is the architect of a whole new framework for the liberation of all oppressed people and the emancipation of all humanity: the *new communism*. **We are followers of BA. And you need to become followers of BA too.**

*This revolution is possible. We are in a rare time when this really could be. **But only if we get organized.***

Organizing people into this revolution means reaching out to all sorts of people—not just where there are protests and rebellions against oppression and injustice, but everywhere throughout society— spreading the word about revolution and getting people together (in real life and online) to grapple with why an actual revolution is necessary, what such a revolution involves, and what kind of society this is aiming for. This will enable people who are new to the revolution to themselves become organizers for this revolution and to recruit more and more people to do the same.

To Everyone who wants to see an end to oppression and injustice... To Everyone who has a heart to fight for something really worth fighting for –

**Become part of the ORGANIZED Forces for this Revolution –
so that we can have a real chance to win a whole new world!**
