

Revolution Club Mass Meetings

Sunday, December 5, 3 pm

SOMETHING TERRIBLE, *OR* SOMETHING TRULY EMANCIPATING:

**Profound Crisis, Deepening Divisions, The Looming Possibility Of Civil War—
And The Revolution That Is Urgently Needed**

A Necessary Foundation, A Basic Roadmap For This Revolution

by Bob Avakian, Revolutionary Leader, Author of the New Communism

This is the title of a soon-to-be-released talk from Bob Avakian, revolutionary leader and author of the new communism, on the most momentous issue of our time.

Come to a special open meeting of the Revolution Club where we will be previewing this talk. Learn how revolution could really be made in this dangerous time. Talk with others about why this revolution is needed, what it involves, and what it's aiming for.

We've just seen the Rittenhouse verdict green-lighting white supremacist murder of protesters. Meanwhile, the right of women to abortion and freedom hangs by a thread. The January 6 Capitol attack is still echoing, and the Republican fascist party is moving to make sure they can take power no matter what, including building up and increasingly unleashing their violent base.

If you see the danger, don't look away. Don't bow your head and accept a coming fascist future. Come hear what's in Bob Avakian's new talk about how it's possible to wrench something positive out of this nightmare—real revolution.
