

Why is Biden, and basically the entire government and ruling class of the U.S., supporting Israel in carrying out genocide against the Palestinian people, before the whole world? This is *not* because of “the power of the Jewish lobby”—or because of some ignorant, ridiculous and outrageous notion that “Jews are controlling everything.” It is because *Israel plays a “special role” as a heavily armed bastion of support for U.S. imperialism in a strategically important part of the world (the “Middle East”). And Israel has been a key force in the commission of atrocities which have helped to maintain the oppressive rule of U.S. imperialism in many other parts of the world.*
