

"WE CAN NO LONGER AFFORD TO ALLOW THESE IMPERIALISTS TO CONTINUE TO DOMINATE THE WORLD AND DETERMINE THE DESTINY OF HUMANITY."

**These are the words of Bob Avakian.
The *revolutionary leader* millions need to know.**

In his social media, Bob Avakian brings the truth the powers-that-be don't want you to know. The only leader in this country *even talking* about making a real revolution. A leader with a whole new framework for human emancipation.

WHY DONATE?

Capitalism-imperialism is destroying the future. Society is being ripped apart with sharpening civil-war like divides between fascist Republicans and war criminal Democrats.

Donate to help shatter the lie that there is no alternative to this system. Your contribution will fund an online advertising campaign to reach millions quickly with Bob Avakian's real time leadership via social media.

Through his social media, Bob Avakian shows why revolution is more possible *in this time* and how to seize on this to put a far better system in place: a new socialist republic on the road to real emancipation for humanity here and around the world.
