

THE REVCORP CORPS For The Emancipation Of Humanity

(local info goes here)

A Crucial Meeting:

The Choices of the 2024 Election Are Terrible Choices for Humanity We Need a Real Revolution for the Emancipation of Humanity

The Revolutionary Leader, Bob Avakian has said:

“Everything will very likely be coming to a head and coming up for grabs this year, 2024, with the presidential election this year a sharp focus of the fight between the dominating ruling class parties—Democrats and Republicans—a fight that is very likely to break all out of the bounds of the “normal way” they exercise power over the people, and keep their whole murderous system going.”

“This kind of deep division—and especially this bitter antagonism among the powers-that-be—has not been seen in this country since the time of the Civil War way back in the 1860s.”

“This is not a time to be siding with one group of oppressors or another. This is a rare time—a very rare opening—a chance that may come only once in a lifetime—a chance to take advantage of the deep divisions among the ruling oppressors and go after their whole system, with the aim of bringing the whole thing down, and putting something much better in its place.”
