

FREE Mahmoud Khalil NOW!—PROTEST Thursday March 27

March 27 is the date set for Mahmoud Khalil's first federal court hearing after being kidnapped by Trump's fascist Homeland Security/ICE thugs in the dark of night. Kahlil is a Columbia University graduate and legal US resident. This must be a day all justice-loving people unite in the streets and public squares, demanding the immediate release of Mahmoud Kahlil, declaring:

STOP the Fascist Attacks on the Rights to Free Speech, Dissent, and the Rule of Law!
STOP The Demonization, Abduction, and Deportation of All Immigrants & Refugees!

Khalil's arrest is a turning point. It is a leap towards the consolidation of a different kind of country – a fascistAmerica. When the rule of law becomes moot – when what is permissible to speak or do is at the say so of Trump and his fascist henchmen – that must be our call to courage and defiance.

When the business of the government is bulldozing the rule of law and cementing a fascist order, there must be no business as usual. The future depends on it.

In The Name of Humanity, We Refuse to Accept a Fascist America
The Fascist Trump Regime Must Go!
