

***Fascist ICE Gestapo Murders in Cold Blood.
Trump Fascism Threatens the World.***

The Time Has Come to Draw the Line— Trump Must Go Now!

“Every day this is driven home more and more forcefully and cruelly: *There is no living with this Trump/MAGA fascism—it must be removed from power before it commits even more horrific atrocities and forcibly shuts down any real possibility of resistance*”

@BobAvakianOfficial , REVOLUTION 141—read on Substack →

Yes, “forcefully and cruelly” in this first week of the new year, beginning with the murderous and illegal kidnapping of the head of state of Venezuela, Nicolás Maduro along with his wife—which was followed by an orgy of flexing and threats against other sovereign nations.

Then, lawless ICE gestapo murdered a 37-year-old woman, Renee Nicole Good, for the “crime” of observing their activity on a Minnesota street and then seeming to try to drive away from them when they went after her. The fascist regime is openly lying about what happened. This was not “self-defense,” this was an illegitimate cold-blooded murder.

If this regime is able to get away with killing bystanders in cold blood, on top of kidnapping immigrants, on top of violating and threatening the sovereignty of other nations, this will represent another leap in the consolidation of fascism. **At what point does it become too late?!?** This must be opposed by every decent person who—in the name of humanity, refuses to accept a fascist America!

This murder comes on top of weeks of crude agitation by Trump, Stephen Miller, Noem and the rest of this thug regime about Somali immigrants in Minneapolis—rabble-rousing and demagoguery that was on the level of Adolf Hitler. This comes on top of flooding Minneapolis with what amounts to an occupying army of 2,000 ICE thugs.

This outrage *has* to be met with **mass protest!** Mass nonviolent protest and resistance of people who say NO MORE and mean it. Street demonstrations in city centers. Teach-ins, mass debates and school walkouts. Vigils and marches in communities. Acting and not stopping with the demand

**ICE MUST GO AND THE WHOLE TRUMP
FASCIST REGIME MUST GO WITH IT!!!**

This outrage has to be met with **unity**—uniting all who can be united to oppose this fascist enemy, while airing and working through differences with the largest unifying goal in mind: drive out the Trump fascist regime.

This outrage has to be met with **questioning**—digging into the dynamics of the system that has given rise to this fascism, and so many other horrors. Digging into what must be done to overcome it. This means first of all getting into the works of the revolutionary leader Bob Avakian, @BobAvakianOfficial and on revcom.us, about this fascism, about the revolution we need, and about the whole other way we *could* be living.

**IN THE NAME OF
HUMANITY, WE REFUSE
TO ACCEPT A
FASCIST AMERICA!**

**THIS WHOLE SYSTEM
IS ROTTEN AND
ILLEGITIMATE—
WE DEMAND A WHOLE
NEW WAY TO LIVE,
A FUNDAMENTALLY
DIFFERENT SYSTEM!**

This is a rare time when revolution is more possible. As the fascist Trump regime rips up the old norms that people have been conditioned to accept, this is beginning to cause all kinds of chaos and force people to question the way things have been, and whether they have to stay that way. In this situation, the forces for the revolution could grow, quickly, from small numbers to thousands, and then millions, and get in position to go for the whole thing. **Now's the time to learn about and join**
